BALLOT MEASURE SUMMARY

ESSB 5599 exempts homeless youth shelters, host home programs and host homes for youth from parental notification requirements for minors seeking or receiving gender affirming care treatment or reproductive health care services. Such shelters, host home programs, and host homes must instead provide notice to the State. The State must offer services for family reunification, offer youth in shelters referrals for behavioral health services, and gather data and make recommendations for supporting unsheltered homeless youth.

Sincerely,

s/Jeffrey T. Even
