

Initiative Measure No. 1015

Filed

FEB 22 2008

SECRETARY OF STATE

1 AN ACT Relating to long-term care services for the elderly and
2 people with disabilities; amending RCW 74.39A.009 and 74.39A.050;
3 reenacting and amending RCW 18.130.040; adding new sections to chapter
4 74.39A RCW; adding a new section to chapter 18.88A RCW; creating new
5 sections; and providing an effective date.

6 BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

7 NEW SECTION. Sec. 1. A new section is added to chapter 74.39A RCW
8 to read as follows:

9 It is the intent of the people through this initiative to protect
10 the safety of and improve the quality of care to the vulnerable elderly
11 and persons with disabilities.

12 The people find and declare that current procedures to train and
13 educate long-term care workers and to protect the elderly or persons
14 with disabilities from caregivers with a criminal background are
15 insufficient. The people find and declare that long-term care workers
16 for the elderly or persons with disabilities should have a federal
17 criminal background check and a formal system of education and
18 experiential qualifications leading to a certification test.

1 The people find that the quality of long-term care services for the
2 elderly and persons with disabilities is dependent upon the competence
3 of the workers who provide those services. To assure and enhance the
4 quality of long-term care services for the elderly and persons with
5 disabilities, the people recognize the need for federal criminal
6 background checks and increased training requirements. Their
7 establishment should protect the vulnerable elderly and persons with
8 disabilities, bring about a more stabilized workforce, improve the
9 quality of long-term care services, and provide a valuable resource for
10 recruitment into long-term care services for the elderly and persons
11 with disabilities.

12 **Sec. 2.** RCW 74.39A.009 and 2007 c 361 s 2 are each amended to read

9 (1) The system shall be client-centered and promote privacy,
10 independence, dignity, choice, and a home or home-like environment for
11 consumers consistent with chapter 392, Laws of 1997.

12 (2) The goal of the system is continuous quality improvement with
13 the focus on consumer satisfaction and outcomes for consumers. This
14 includes that when conducting licensing or contract inspections, the
15 department shall interview an appropriate percentage of residents,
16 family members, resident case managers, and advocates in addition to
17 interviewing providers and staff.

18 (3) Providers should be supported in their efforts to improve
19 quality and address identified problems initially through training,
20 consultation, technical assistance, and case management.

21 (4) The emphasis should be on problem prevention both in monitoring
22 and in screening potential providers of service.

23 (5) Monitoring should be outcome based and responsive to consumer
24 complaints and based on a clear set of health, quality of care, and
25 safety standards that are easily understandable and have been made
26 available to providers, residents, and other interested parties.

27 (6) Prompt and specific enforcement remedies shall also be
28 implemented without delay, pursuant to RCW 74.39A.080, RCW 70.128.160,

32 causing or likely to cause death or serious harm to one or more
33 residents. These enforcement remedies may also include, when
34 appropriate, reasonable conditions on a contract or license. In the
35 selection of remedies, the safety, health, and well-being of residents
36 shall be of paramount importance.

2 ~~directly responsible for the care, supervision, or treatment of~~
3 ~~vulnerable persons should be screened through background checks in a~~
4 ~~uniform and timely manner to ensure that they do not have a criminal~~
5 ~~history that would disqualify them from working with vulnerable~~
6 ~~persons. Whenever a state conviction record check is required by state~~
7 ~~law, persons may be employed or engaged as volunteers or independent~~
8 ~~contractors on a conditional basis according to law and rules adopted~~
9 ~~by the department.)) All long-term care workers shall be screened

14 (~~provider or staff~~) long-term care worker, with a stipulated finding
15 of fact, conclusion of law, an agreed order, or finding of fact,
16 conclusion of law, or final order issued by a disciplining authority,
17 a court of law, or entered into a state registry finding him or her
18 guilty of abuse, neglect, exploitation, or abandonment of a minor or a
19 vulnerable adult as defined in chapter 74.34 RCW shall be employed in
20 the care of and have unsupervised access to vulnerable adults.

21 (9) The department shall establish, by rule, a state registry which
22 contains identifying information about (~~personnel~~) certified home care
23 aides identified under this chapter who have substantiated findings of
24 abuse, neglect, financial exploitation, or abandonment of a vulnerable
25 adult as defined in RCW 74.34.020. The rule must include disclosure,
26 disposition of findings, notification, findings of fact, appeal rights,
27 and fair hearing requirements. The department shall disclose, upon
28 request, substantiated findings of abuse, neglect, financial
29 exploitation, or abandonment to any person so requesting this

34 ~~satisfactorily complete department approved orientation, basic~~
35 ~~training, and continuing education within the time period specified by~~
36 ~~the department in rule. The department shall adopt rules by March 1,~~
37 ~~2002, for the implementation of this section based on the~~
38 ~~recommendations of the community long term care training and education~~

1 ~~steering committee established in RCW 74.39A.190. The department shall~~
2 ~~deny payment to an individual provider or a home care provider who does~~
3 ~~not complete the training requirements within the time limit specified~~
4 ~~by the department by rule.~~

6 ~~reduce costs, especially for rural communities, the coordinated system~~
7 ~~of long term care training and education must include the use of~~
8 ~~innovative types of learning strategies such as internet resources,~~
9 ~~videotapes, and distance learning using satellite technology~~
10 ~~coordinated through community colleges or other entities, as defined by~~
11 ~~the department.~~

12 ~~(12) The department shall create an approval system by March 1,~~
13 ~~2002, for those seeking to conduct department approved training. In~~
14 ~~the rule making process, the department shall adopt rules based on the~~
15 ~~recommendations of the community long term care training and education~~
16 ~~steering committee established in RCW 74.39A.190.~~

17 ~~(13))~~ The department shall establish, by rule, ~~((training,))~~
18 background checks~~((,))~~ and other quality assurance requirements for
19 ~~((personal aides))~~ long-term care workers who provide in-home services
20 funded by medicaid personal care as described in RCW 74.09.520,

28 ~~and implement a long term care training program that is flexible,~~
29 ~~relevant, and qualifies towards the requirements for a nursing~~
30 ~~assistant certificate as established under chapter 18.88A RCW. This~~
31 ~~subsection does not require completion of the nursing assistant~~
32 ~~certificate training program by providers or their staff. The long-~~
33 ~~term care teaching curriculum must consist of a fundamental module, or~~
34 ~~modules, and a range of other available relevant training modules that~~
35 ~~provide the caregiver with appropriate options that assist in meeting~~
36 ~~the resident's care needs. Some of the training modules may include,~~
37 ~~but are not limited to, specific training on the special care needs of~~
38 ~~persons with developmental disabilities, dementia, mental illness, and~~

1 ~~the care needs of the elderly. No less than one training module must~~
2 ~~be dedicated to workplace violence prevention. The nursing care~~
3 ~~quality assurance commission shall work together with the department to~~
4 ~~develop the curriculum modules. The nursing care quality assurance~~
5 ~~commission shall direct the nursing assistant training programs to~~
6 ~~accept some or all of the skills and competencies from the curriculum~~
7 ~~modules towards meeting the requirements for a nursing assistant~~
8 ~~certificate as defined in chapter 18.88A RCW. A process may be~~
9 ~~developed to test persons completing modules from a caregiver's class~~
10 ~~to verify that they have the transferable skills and competencies for~~
11 ~~entry into a nursing assistant training program. The department may~~
12 ~~review whether facilities can develop their own related long term care~~
13 ~~training programs. The department may develop a review process for~~
14 ~~determining what previous experience and training may be used to waive~~
15 ~~some or all of the mandatory training. The department of social and~~

17 ~~work together to develop an implementation plan by December 12, 1998.))~~
