"REFUND EXCESS TAXES INITIATIVE"

COMPLETE TEXT

AN ACT Relating to protecting taxpayers by limiting the tax burden on Washington's citizens; adding new sections to chapter 43.135 RCW; adding a new section to chapter 36.33 RCW and chapter 35.34 RCW; and creating new sections.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

POLICIES AND PURPOSES

NEW SECTION. **Sec. 1.** This measure concerns the growth of general fund revenue for state government, counties, and cities. This measure would limit the growth of general fund revenue, not including new voter-approved revenue, to 1% per year. Revenue above this limit would be refunded annually to legal registered voters. This measure allows the growth of Washington's tax burden to increase at a reasonable rate but allows citizens to vote for higher taxes where they see a need. This measure provides a smart, balanced, reasonable solution to our state's crushing tax burden. It also provides a strong incentive for government to focus on increasing effectiveness and efficiency by implementing the performance audit recommendations by the State Auditor's Office thanks to the voters' approval of Initiative 900 in 2005.

**LIMITING THE TAX BURDEN OF WASHINGTON'S CITIZENS BY LIMITING THE
GROWTH OF STATE GOVERNMENT'S GENERAL FUND REVENUE,
NOT INCLUDING NEW VOTER-APPROVED REVENUE, TO 1% PER YEAR.
EXCESS REVENUE ABOVE THIS LIMIT WOULD BE REFUNDED ANNUALLY
TO LEGAL REGISTERED VOTERS**

NEW SECTION. **Sec. 2.** A new section is added to chapter 43.135 RCW to read as follows:

(1) Using the 2007 calendar year as the base, the growth of state government general fund revenue, not including new voter-approved revenue, shall be 1% per year. Excess revenue above this limit shall be dedicated to the Refund Excess Taxes Account created in section 5 of this act.

(2) For purposes of this section, "general fund revenue" means the aggregate of revenue from taxes, fees, and other governmental charges levied and collected by state government for use in the state general fund. "General fund revenue" includes, but is not limited to, revenue from sales and use taxes, property taxes, business and occupation taxes, and other revenues.

(3) If the cost of any state program or function is shifted from the state general fund on or after January 1, 2008, to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the limit required by this section shall apply to the aggregate of revenue from the state general fund plus the shifted revenue for that year and all subsequent years.

(4) If the cost of any state program or function and the ongoing revenue necessary to fund the program or function are shifted to the state general fund on or after January 1, 2008, the limit required by this section shall apply to the aggregate of revenue from the state general fund plus the shifted revenue for that year and all subsequent years.

(5) For the purposes of this section, "new voter-approved revenue" is defined as any action or combination of actions by the legislature that raises revenue and that is referred to and approved by the state's voters at an election after the effective date of this act. Voter approval of a property tax levy lid lift only exempts the additional increase in property tax revenue and not the nonvoter-approved portion of the levy.

**LIMITING THE TAX BURDEN OF WASHINGTON'S CITIZENS BY LIMITING THE
GROWTH OF EACH COUNTY'S GENERAL FUND REVENUE,
NOT INCLUDING NEW VOTER-APPROVED REVENUE, TO 1% PER YEAR.
EXCESS REVENUE ABOVE THIS LIMIT WOULD BE REFUNDED ANNUALLY
