4 chapter 82.26 RCW.

5 BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 70.47 RCW
7 to read as follows:

8 It is the intent of the people to improve the health of low-income
9 children and adults by expanding access to basic health care and by
10 reducing tobacco-related and other diseases and illnesses that
11 disproportionately affect low-income persons.

12 **Sec. 2.** RCW 43.72.900 and 1993 c 492 s 469 are each amended to
13 read as follows:

14 (1) The health services account is created in the state treasury.
15 Moneys in the account may be spent only after appropriation. Subject
16 to the transfers described in subsection (3) of this section, moneys in
17 the account may be expended only for maintaining and expanding health
18 services access for low-income residents, maintaining and expanding the

1 public health system, maintaining and improving the capacity of the
2 health care system, containing health care costs, and the regulation,
3 planning, and administering of the health care system.

4 (2) Funds deposited into the health services account under sections
5 3 and 4 of this act shall be used solely as follows:

6 (a) Five million dollars for the state fiscal year beginning July
7 1, 2002, and five million dollars for the state fiscal year beginning
8 July 1, 2003, shall be appropriated by the legislature for programs
9 that effectively improve the health of low-income persons, including
10 efforts to reduce diseases and illnesses that harm low-income persons.
11 The department of health shall submit a report to the legislature on
12 March 1, 2002, evaluating the cost-effectiveness of programs that
13 improve the health of low-income persons and address diseases and
14 illnesses that disproportionately affect low-income persons, and making
15 recommendations to the legislature on which of these programs could
16 most effectively utilize the funds appropriated under this subsection.

17 (b) Ten percent of the funds deposited into the health services
18 account under sections 3 and 4 of this act remaining after the
19 appropriation under (a) of this subsection shall be transferred no less
20 frequently than annually by the treasurer to the tobacco prevention and
21 control account established by RCW 43.79.480. The funds transferred
22 shall be used exclusively for implementation of the Washington state
23 tobacco prevention and control plan and shall be used only to

28 plan for the biennium beginning July 1, 2001. For each state fiscal
29 year beginning on and after July 1, 2002, the legislature shall
30 appropriate no less than twenty-six million two hundred forty thousand
31 dollars from the tobacco prevention and control account for
32 implementation of the Washington state tobacco prevention and control
33 plan.

34 (c) Because of its demonstrated effectiveness in improving the
35 health of low-income persons and addressing illnesses and diseases that
36 harm low-income persons, the remainder of the funds deposited into the

38 appropriated solely for Washington basic health plan enrollment as
39 provided in chapter 70.47 RCW. Funds appropriated pursuant to this

2 funding needed to support enrollment of a minimum of one hundred
3 twenty-five thousand persons for the fiscal year beginning July 1,
4 2002, and every fiscal year thereafter. The health care authority may
